Introduction

This list contains all books published either by or on behalf of the African Studies Centre since 1990 (a list of older publications can be obtained on request). The list is divided into two main parts. The first contains all books published and distributed by the African Studies Centre itself. Copies of these books can be obtained from the Centre by sending an order to:

African Studies Centre

The second part of the list contains books published elsewhere. Copies should be ordered from the publishers concerned (see Sections 6-17).

There are two editions of most of the books published in the *ASC Research Series*. The 'Ashgate edition' is meant for the non-African market. Copies can only be obtained from Ashgate Publishing Ltd (for address see p. 26). The 'African edition' is a cheaper version of the 'Ashgate edition' and is meant solely for the African market. African residents can order copies from the African Studies Centre in Leiden.

Prices are in different currencies. Exchange rates per 08-03-2005 were as follows:
€ 1.00 = US$ 1.37 = £ 0.72.
