Introduction

This list contains all books published either by or on behalf of the African Studies Centre since 1990 (a list of older publications can be obtained on request). The list is divided into two main parts. The first contains all books published and distributed by the African Studies Centre itself. Copies of these books can be obtained from the Centre by sending an order to:

The second part of the list contains books published elsewhere. Copies should be ordered from the publishers concerned (see Sections 6-15).

There are two editions of most of the books published in the ASC Research Series. The 'Ashgate edition' is meant for the non-African market. Copies can only be obtained from Ashgate Publishing Ltd (for address see p. 25). The 'African edition' is a cheaper version of the 'Ashgate edition' and is meant solely for the African market. African residents can order copies either from the African Studies Centre in Leiden or from SUBA Books in Nairobi.

Prices are in different currencies. Exchange rates per 30-05-2002 were as follows:

€ 1.00 = US$ 0.92 = £ 0.62

NISC DATABASE

The database of the library and documentation department of the African Studies Centre is one of the Africana databases included in the NISC African Studies database. This comprehensive database is a unique combination of — African and Western — databases and contains approx. 300,000 records of multidisciplinary information on Africa, many of them with abstracts. Information is quarterly updated.
The NISC database is available on CD-ROM and via the internet. For details and costs, see www.nisc.com, e-mail: NISC@ru.ac.za
